GLOBAL NON-EVENT

TOTAL FREEDOM FROM TYRANNY

A Coalition of anarcho-slackists have failed to organise a mass action calling for **Total Freedom from the Tyranny of Structure.**

THE BIGGEST EVER MASS DIRECT INACTION

Join millions of others, from moderate well-intentioned libertarian layabouts to hardline vegetators in the slack block who all won't be turning up at someplace at sometime in the biggest ever immobilisation ever seen in the UK.

Local Newsletters

Romford Rouser

Simplistically written news from the mean streets of Essex, mostly all cut'n'pasted from Indymedia with occasional misguided attempts at puns and weak post-ironic jokes.

The Hammer

Shepton Mallet Anarchists monthly two sides of A6.

Funny for Old Rope

South Coast-based freesheet stoically churning out tightly-crammed photocopied A4 sheets full of worthy but futile titbits from the world of protest and anarchism. Overwhelming sense of despair and cynicism shines through the laconic humour and over-indulgent puns. Now available on e-mail!

Regurgitations

Anarcho-Punk Anthology CD

Rare demo recordings from 1978 - 1984 unearthed for the first and last time. Featuring songs from The Vinyl Scratch, Anal Horribilus, Nihilistic Pillow, Four Skins, the Diabolicals, and many more - all with printed lyrics so you can work out what they're actually shouting about.

All benefits going to Kentish Town care home for clapped out punks.

If you're prepared to put up with waiting for weeks because of our non-linear pseudo-non-hierarchical mailing system order online at www.walktheplank.org.uk

All titles come with a free SchNEWS book - we're still trying to palm them off.

FREEBOOTING ON THE HIGH SEAS OF ANARCHIST PUBLISHING

Welcome to the Autumn / Winter house magazine-cum-catalogue!

For decades, we've dedicated ourselves to providing a platform for voices from the edge of anarcho-sarcasticist thought - from underground recipes for hummus to collective recipes for disaster... all the while desperately trying to wring a living by squeezing one of the most unattractive demographics in marketing by offering guilt-reduced consumer therapy. Read on as we man the rigging and offer up our latest wares looking for yer pieces o' eight!

Jolly Roger Biggest Selling Book Of The Month...

F*CK SH*T UP

Avin' It Riot Porn - the gratuitous best of this year's streefrage - including stills from Ungdomhuset in Denmark, G8 Rostock, and Burmese Monks on the streets of Rangoon. No analysis, no text - just full-on full colour glossy pictures. Keep it in yer bog, not your coffee table. Available now - £39.99 incl p&p.

"Perfect for an armchair afternoon"
- Stuart Christie

OUT NOW!

We Are All Over The Place

Snapshots of the global insurrection: From Beijing to Basingstoke, Puerto Rico to Pontefract, Ipanema to Ipswich - a colourful dance of desires against the fierce fire of capital. With added spanners thrown into the teeth of the mega-machine. "Shameless rip-off"
- John Jordan. 254 pages of clowning around from the Carnivalista Collective.

Forthcoming Releases

Here's our look at the exciting new titles coming your way this winter...

Garden Noam

Carrot fly infestation? Find out how to resolve it with an analysis of corporate media framing. Discover how some plants are out to take over from smaller, more decentralised species whilst learning Chomsky's own tips for legitimate control of tomato pests... From renowned author of *Manufacturing Compost*

Anarchy in the UK: Trajectories of Resistance

Department of pre-insurrectionary counter-discourse, Skegness College of Performing Arts. Long awaited academic analysis of the UK anarchist movement. Many valuable insights into the semiotics of striated subaltern spheres in rhizomatic horizontalist subcultures. A crucial chapter re-examines the meta-construction of marxistoid transgenderalism. "...fails time and again to demonstrate an adequate grasp of the theory of commodity fetishism." - *Aufheben*

Days Of War, Nights Of Love, Afternoons of Heavy Drinking.

New Crimethinc™ production aimed squarely at the British scene.

Quack To The Future

Reclaiming lost knowledges stolen from us by *them*. Herbal cures for everything from alienation to lumbago: take a randomly proscribed expensive concoction of exotic ingredients in a tincture three times daily - but have a paracetamol after to be sure.

Hacktivism For Dummies

How to bring Microsoft Windows to its knees on your computer. Top tips on cybersquatting, phishing attacks, google-bombing for beginners, and a short history of phreaking.

Black Bladders

Sexual orientation and folksong in the Lancastrian weavers revolt of 1793. With print of the Burnley tapestry.

Jolly Roger Anarchist Paraphernalia

One-inch badges, bandannas, balaclavas to baseball caps - we've got it all.

NEW - Poll Tax Placemats. Make every dinner party a riot! Only £9.99 a set. Order while stocks last.

Going Postal - The David Lunch Story

This heartfelt diary of an anarchist postbox bomber doesn't fail to deliver... Davey Lunch was sentenced to nine months in prison after blowing up three postboxes in Leicester in 1971, injuring nobody. Read the explosive letters he wrote inside where he explains exactly why this particular state apparatus needed stamping on.

Condensed Bullshitter's Guide To Anarchism

Overwhelmed by your comrades' knowledge of obscure historical events? Learn to bluff your way through the Spanish Civil War, Kronstadt and Situationism all in just eight pages. Pretend that your Grandad was at Cable Street and you were at Newbury.

Pamphlets

Off With Their Sheds!

Reflections on aspects of Birmingham allotment holders struggles with Dudley Civic Council in the early eighties.

Luddites At Large

A story of machine-smashing and spies from the eighteenth century - a movement which smashed thousands of machines, looted markets, and burning down factories. A ripping read.

Voices From The Burning Heart - Poetry Anthology

Painfully heartfelt doggerel from some very earnest people. "I struggled to make it past the first stanza" - *Albert Meltzer*

Black Flag Ahoy

Lesbian pirates in the Carribean during the 18th century. A must read for queer mutineers and dirty old men.

Swinging Doors

Reprint of the pamphlet about the 1973 riot by Bristol Infirmary orderlies which failed to be covered in the media even though five ended up (back) in hospital.

Be Impossible - Demand The Realistic

Another un-called-for reappraisal of the events in France in May 1968. Yet another generation has its turn to grapple with this old perennial.

Senseless Acts Of Stupidity

The glorious history of anarchist failure going back to the invention of the wheel.
